SEMANA SANTA

Un paso personal

In this Project, you will design and create your own personal "paso." During Semana Santa, the brotherhoods carry pasos commemorating different important moments in the life and death of Jesus Christ through the city. For this project, you are going to design and create a personal "paso" that commemorates an important moment in your own life.

Project Guidelines:

- This project will be:
 - A colorful drawing on a 11x17 piece of white paper.
 - A "sculpture" built on an upside-down shoebox out of any appropriate material (clay, paper, wood, figurines, etc.)
 - A short paragraph explaining why this is an important moment in your life. This must be completed on the form provided.
- You will have class time to work on this project on _____ and _____. After that, all work must be completed at home.
- This project is due on _____.

Think: What is a moment in your life that you would like to commemorate (commemorate means to remember or give honor to)? Why would you like to commemorate it? How could you represent that moment? Who and what would you need to include?
